Equipped with modern manufacturing facilities and advanced technologies, we offer customized and innovative packaging products designed to fulfill diverse packaging requirements. With a strong focus on quality and customer satisfaction, **SHREE PACKAGING** follows efficient quality management practices to ensure consistent and dependable packaging solutions. As a complete packaging solution provider, we specialize in the designing, printing, manufacturing and distribution of a wide range of packaging materials. Serving various industries and business sectors, we are committed to providing the right packaging solutions that meet the specific requirements, expectations and needs of our valued customers.

WHAT MAKES US SPECIAL

CUSTOMIZABLE

All our products can be customized according to our customers' specific needs. Design, dimensions, paper quality and other specifications can be fully tailored as required.

LAB FACILITY

We have a well-equipped in-house testing laboratory to ensure that all our products meet the required quality standards and are manufactured with precision and excellence.

ISO 9001:2015

We are a packaging solutions manufacturer with an ISO 9001:2015 certified manufacturing facility, reflecting our strong commitment to consistent quality, reliability, and excellence.

OUR QUALITY PRINCIPLES

QUALITY

Quality is our trademark, and we ensure that every product undergoes thorough quality checks in our modern in-house testing laboratory.

OUR PRODUCTS

MASTER CARTONS

Master Cartons are high-quality corrugated boxes designed for safe transportation and freight consolidation. Available in customized sizes and paper qualities, we manufacture 3 PLY, 5 PLY, 7 PLY, Micro Flute, Narrow Flute(B Flute) , Broad Flute options to meet diverse packaging needs.

PRINTED MASTER CARTONS

Printed Master Cartons can be customized in any colour and design as per specific requirements. Available in various dimensions, these cartons are tailored to meet individual customer specifications. We make printed cartons with Flexo Printing and Offset Printing upto 6 colours printing.

OUR PRODUCTS

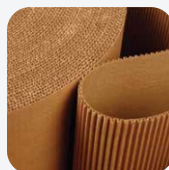

HONEYCOMB CARTONS

Honeycomb Cartons are strong and durable boxes made with interconnected honeycomb cells for enhanced structural strength. Lightweight yet heavy-duty, these cartons are manufactured using high-quality honeycomb panels, offering high precision and industrial-grade performance for diverse applications.

CORRUGATED SHEETS

Corrugated Paper Sheets are widely used by packers and movers to safely wrap and protect various products. Their strong, flexible texture helps prevent damage, scratches, and wear during handling and transportation.

OUR PRODUCTS

INNER CARTONS

Inner Cartons are designed to pack individual products securely within a master carton. Available in various colours, designs, and dimensions, these high-quality boxes make handling, shipping, and transportation easier for both household and industrial applications.

DUPLEX BOXES

Duplex Boxes are available in a wide range of designs, sizes, colours, and finishes to suit different packaging needs. Easy to fold, store, durable, and reliable, they are widely used for commercial applications such as bottle, bakery, and product packaging.
